Fantastic Birthday Parties

Our parties are a lot of fun and tend to book quickly, so please be sure to reserve your party at least one month ahead of time. An \$80.00 *non-refundable deposit* is required to reserve your party date, and the *balance is due the day of the party*.

*Our instructors work hard to ensure that your child has a fantastic birthday. At the end of your party, if you are pleased with the performance of your party leaders, feel free to show them your appreciation, as gratuities are not included.
